

Latah County Republican Women President's Report - March 2025

By Jennifer Seegmiller, President LCRW

The Latah County Republican Women have had an exciting and impactful few months, marked by several key events that highlight our commitment to community engagement and Republican values.

First, we were thrilled to be a part of Palouzzafest, where the University of Idaho students came out in large numbers to show their support for Republican principles. It was inspiring to see such an energetic and engaged group of young people, eager to connect with their values and make their voices heard.

In addition, we hosted a highly successful community candidate forum. This event provided a platform for bipartisan candidates for both legislative district 6 and Latah County offices to share their perspectives and engage with the public. The forum allowed for meaningful dialogue and ensured that voters had access to critical information as they prepare for the upcoming elections.

Finally, we are excited to announce the launch of our inaugural Citizenship Essay Contest for Latah County high school seniors. This new initiative encourages students to reflect on the importance of citizenship, fostering civic responsibility and helping to shape the leaders of tomorrow.

These events have strengthened our ties to the community, provided valuable opportunities for engagement, and supported the development of young leaders. We look forward to our upcoming Lincoln Days event and continuing to serve and inspire our community in the months ahead!
