

Ada County Republican Women's Club

Club Activities March 2025

As July and August were dark for our Club, our focus shifted to reviewing and updating our Bylaws. After completion of the updates, the Revised Bylaws were submitted and approved by the IFRW. They will be posted on our website for our members' approval.

In accordance with our Club's commitment to an informed electorate, in September our meeting focused on Idaho's Primary Election System and Ranked Choice Voting. Our speakers included Dr. Matthew May, Representative Josh Tanner and Ada County Commissioner Rod Beck who addressed approximately 100 members of our community.

Most recently, we hosted Thad Butterworth, Chairman of the Ada County Republican Central Committee. He reviewed their fall meeting, resolutions they proposed, and current legislation.

We are planning a Legislative wrap-up for our April meeting and our Scholarship Tea in May.

Respectfully submitted,

Jill Trimble

President,

Ada County Republican Women's Club
